MEMORANDUM FOR: Executive Officer, Technical Services & Support Group

SUBJECT : Mid-Career Recommendations

RED has reviewed potential candidates for mid-career training with the following recommendations:

a. We recommend that [redacted] currently assigned to the EL/ATB, be our first candidate. [redacted] has only been at the Center a little over two years and is forty-four years old. However, in terms of promotion potential, he rates very highly to the extent that we would strongly recommend his consideration for this program. He has demonstrated capabilities of a competent technical manager. We feel that he would have come to managements attention earlier were it not for the restricted nature of his assignment. 25X1 25X1

25X1 b. [redacted] would be our second and third choices respectively. [redacted] who is currently on the list, is presently attending the course. 25X1
